2018/19

Bowler of the Year

Tournament Rules

1. This is a C.T.F. Sanctioned Tournament. All C.T.F. rules apply.
2. This is a scratch tournament (no handicap).
3. Any bowler who has finished in the top 5 male/female averages in their qualifying center, will have the \$20.00 registration fee **waived** for this tournament. Bowlers who finish in the top five in more than one qualifying center will represent the center from which their highest qualifying average was established. Their average(s) from other centers will then be eliminated from the list of top averages and the next highest averages will then qualify from the other centers. Any ties in average will be determined by pinfall relating to their average.
4. Any bowler who has bowled at least 2/3 of the total games bowled (minimum of 40 games) in the league for their average to be used as a qualifying average will be allowed to enter this tournament. If a bowler does not qualify under the guidelines stated in rule #3, a \$20.00 entry fee is required.
5. All bowlers will be placed into divisions based on bowlers average achieved during the 2018-2019 season. Averages will be used from the N.T.B.A. average book. This book is available on line, and will be at the scoring desk during the tournament. The divisions will be as follows;
 - Men's A Division – 200 average and above
 - Ladies A Division – 185 average and above
 - Men's B Division – 199 and below
 - Ladies B Division – 184 and below.
6. All qualifiers/entrants must hold a C.T.F. card for the 2019/2020 season.
7. There will be 4 winners based on total score, two male and two female, all winners to receive \$250 each.
8. **Bowlers must sign in at least 1/2 hour before the start of the tournament.** Tournament starting time Saturday, October 19, 2019 at 1:00 PM.
9. FORMAT: You will bowl 4 games and move right one pair of lanes after each game.
10. Tournament directors' decision is final, unless an appeal has been filed in accordance with C.T.F. rule 329.
11. If defending champion would qualify based on their average, the next highest average will be used to determine the qualifier.
